

Save the Date: August 21–22, 2026

The Past – The Present – The Future

50 Years of Childhood Cancer Registration in Switzerland

To celebrate its 50th anniversary, the Childhood Cancer Registry warmly invites you to a symposium in Bern in August 2026.

We will reflect on the past and, together with researchers, clinicians, and those affected, explore future directions for monitoring and research.

21 August 2026
09:00 – ca. 19:00 **Scientific Focus** (*for clinicians and researchers, in English*)
Highlights and future perspectives of research using data from the Childhood Cancer Registry

22 August 2026
09:00 – ca. 13:00 **Focus on patients and families** (*in German/French*)
Needs and participation in monitoring and research

Place: Bern, University of Bern, University Centre VonRoll

Program - details to follow in early 2026.
